## NOVARTIS BIOTECHNOLOGY LEADERSHIP CAMP

August 29 – August 31, 2011 in Basel, Switzerland

**The Novartis International Biotechnology Leadership Camp (BioCamp) brings together selected top students from science and business universities from around the world.**

### 1. What is BioCamp?

The Novartis International Biotechnology Leadership Camp (BioCamp) is a pioneering **three-day seminar** that brings the biotechnology sector closer to talented students from top universities around the world. Held at Novartis International Headquarters in Basel, Switzerland, the program offers participants an opportunity to:

- Interact with key Novartis scientists who lead our unique approach to drug discovery
- Learn about breakthrough new medicines to address patients' unmet medical needs
- Understand trends and challenges in the bio-technology sector
- Receive first-hand experience about starting and running a biotech company
- Explore career opportunities in the pharmaceutical and biotech industries, and
- Network with talented students from other countries

We invite local university students focusing on natural sciences and/or business administration to apply for the 2011 International BioCamp. A total of **60 selected students** from around the world will be chosen based on their academic record, professional experience and extra-curricular activities.

Novartis will cover all travel and accommodation expenses of the selected students. The event will be held in English and English fluency is required.
