

International BioCamp 2014

August 24 – August 27, 2014 in Basel, Switzerland

The Novartis International Biotechnology Leadership Camp (BioCamp) brings together selected top students from science and business universities from around the world.

1. What is BioCamp?

The Novartis International Biotechnology Leadership Camp (BioCamp) is a pioneering **four-day seminar** that brings the biotechnology sector closer to talented students from top universities around the world. Held at Novartis International Headquarters in Basel, Switzerland, the program offers participants an opportunity to:

- Interact with key Novartis scientists who lead our unique approach to drug discovery
- Learn about breakthrough new medicines to address patients' unmet medical needs
- Understand trends and challenges in the bio-technology sector
- Receive first-hand experience about starting and running a biotech company
- Explore career opportunities in the pharmaceutical and biotech industries, and
- Network with talented students from other countries

We invite local university students focusing on natural sciences and/or business administration to apply for the 2014 International BioCamp. A total of **60 selected students** from around the world will be chosen based on their academic record, professional experience and extra-curricular activities.

Novartis will cover all travel and accommodation expenses of the selected students. The event will be held in English and English fluency is required.
